Sir,

Subject: Dispensaries - Indents - Local purchase -
1944-45.

As usual, tenders for the supply of medicine and raw drugs required for the use of the three Municipal dispensaries Mangalore, were invited and only one tender of Sri Dathathriya Ayurvedic Pharmacy was received. The Committee of Medical Practitioners constituted to advise on the qualities of samples as per G.O.No. 1821 P.H., dated the 1st May 1940, after going through the tender found that the cost tendered was very high when compared with the market rates prevailing then. The Municipal Council in its resolution No.17 dated the 1st May 1944 - copy enclosed - resolved to purchase medicines in the open market at current rates. The indents amounting to Rs.2,094-6-0 were also sanctioned by the council in its resolution No.15 dated the 19th June 1944 - copy enclosed.

The Principal, School of Indian Medicine, was requested to accord necessary sanction. In his letter No.L.Dis. 14606-I.E. 1/13-44 dated the 3rd August 1944 - copy enclosed - has stated that Government may be addressed to accord sanction as per G.O.No. 2492 L.A.Dept., dated the 11th September 1941. This G.O. has not been received in the office.

The Medical Officers of the dispensaries are expressing great difficulty for want of medicines.

I request Government may be pleased to accord sanction for the purchase of drugs in the open market.

Subject: Dispensaries - Indents - 1944-45 - Purchase
from Central Ayurvedic Pharmacy - Guntur.

In this office letter B1-9636-44, dated the 19th
August 1944 addressed to the Secretary to the Government of
Madras, L.A. Department, sanction of Government was sought
for the purchase of medicine in open market.

The Principal, School of Indian Medicine, Madras,
in his letter L. Dis. 16842/PL3/44, dated the 28th August 1944
copy enclosed - intimated that medicines may be obtainable
from the Central Ayurvedic Pharmacy, Guntur. I have since
written to the President, District Board, Guntur, to furnish
information as to whether the said pharmacy will be in a
position to supply the medicines to this Municipality also. If
the Pharmacy undertakes to supply at the same rates as they
are supplying to other local bodies, this council may be
permitted to purchase the future requirements from the said
Pharmacy.
